

27SA. Same—Subject to requirements of § 21 of Article 78A.

All housing units and related facilities constructed with funds provided by §§ 27K-27T, inclusive, of this subtitle shall be subject to the requirements of § 21 of Article 78A of this Code (1957 Edition, as amended from time to time) requiring approval of plans and supervision of work on public improvements by the State Planning Department, Department of Public Improvements and Board of Public Works.

27T. Same—Liberal construction and severability of provisions.

(a) The provisions of §§ 27K-27T, inclusive, of this subtitle being necessary for the welfare of the State and its inhabitants, shall be liberally construed to effect the purposes thereof.

(b) The provisions of §§ 27K-27T, inclusive, of this subtitle are severable, and if any of such provisions shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions.

REVISOR'S NOTE: These §§ 27K through 27T are identical to Art. 77A, §§ 27K through 27T.

They are transferred to the Session Laws for the reasons stated in the General Revisor's Note to Title 13, Subtitle 1 of the Education Article.

They are placed under a subtitle for ease of identification.

VI. UNIVERSITY OF MARYLAND.

27U. Additional housing facilities—Definitions.

As used in §§ 27U-27AD, inclusive, in the subtitle, the following words and terms shall have the following meaning, unless the context shall indicate another different meaning or intent: (1) The word "resolution" shall mean a resolution adopted by a majority of the members of the board of regents of the University of Maryland; (2) the word "costs" as applied to any project shall embrace the cost of construction, the cost of the acquisition of all land, rights-of-way, property rights, easements and interests acquired by the University of Maryland for such construction, the cost of all machinery and equipment, financing charges, interest prior to and during construction and for one year after completion of construction, the cost of engineering and legal expenses, plans, specifications, surveys, estimates of costs and revenue, other expenses necessary or incident to determining the feasibility or practicability of construction of any project, administrative expenses, and such other expense as may be necessary or incident to the construction of any project, the financing of such construction and the placing of any
